2018

2017

(a) Basis of accounting

These financial statements are the responsibility of and have been prepared by, management in

OKANAGAN COLLEGE  
Notes to the Financial Statements  
Year Ended March 31, 2018

---

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

(d) Revenue recognition(continued)

Restricted donations and grants are reported as revenue depending on the nature of the restrictions placed on the use of the funds by the contributors as follows:

- I. Contributions for the purpose of acquiring or developing a depreciable tangible capital asset or in the form of a depreciable tangible capital asset, in each case for use in providing services recorded and referred to as deferred contributions for tangible capital assets and recognized in revenue at the same rate that amortization of the tangible capital asset is recorded. The product of the deferred contributions for tangible capital assets and the recognition of the revenue are accounted for in the fiscal period during which the tangible capital asset is used to provide services.
- II. Contributions restricted for specific purposes other than those to be held in perpetuity or for acquisition or development of land or buildings.

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

(j) Asset retirement obligations

Liabilities are recognized for statutory, contractual and legal obligations associated with the retirement of tangible capital assets when those obligations result from the acquisition, construction, development or normal operation of the assets. The obligations are measured initially at fair value, determined using present value methodology, and the resulting costs are capitalized into the carrying amount of the related tangible capital asset. In subsequent periods, the liability is adjusted for accretion and any changes in the amount or timing of the underlying future cash flows. The capitalized asset retirement cost is amortized on the same basis as the related asset and accretion expense is included in the Statement of Operations.

(k) Budget

8. EMPLOYEE FUTURE BENEFITS

(a) Pension benefits

The College and its employees contribute to the College Pension Plan and Municipal Pension Plan (jointly, "pension plans"). The boards of trustees for these plans, representing plan members and employers, are responsible for administering the pension plans, including investments and administering benefits. The plans are multi-employer defined benefit pension plans. Basic pension benefits are based on a formula. As at August 31, 2017, the College Pension Plan has about 4,000 active members and approximately 7,500 retired members. As at December 31, 2017, the Municipal Pension Plan has about 93,000 active members, including approximately 5,300 from colleges.
